What better incentive for a walk than a winery along the way! This route takes you past The Ovens, a vineyard nestled on the hillside overlooking the hamlet of Harrington. The winery accommodates twelve tasters and is by appointment only.

Leaving the road at Harrington you will follow the path across open Parkland of Harrington Hall.

Back onto the road again toward Bag Enderby along the way you pass the most picturesque of thatched cottages hidden amongst the trees.

There are a few inclines on this walk but the reward for the effort is seeing some wonderful parts of Tennyson country, the jewel of the Lincolnshire Wolds.

Please note...

Sheep Dip Paddock will be closed annually for maintenance on 13th December.

All our walks include fields where cattle will be grazing. Dogs are welcome, but must be kept on a lead at all times and are taken at owners risk.
